Writing for Online Blogs, Magazines & Websites

You don't need a journalism-school degree, newspaper reporting experience, or previously published articles to write for online blogs, magazines, and websites. Some online opportunities offer exposure and networking, while many pay well -- \$1 a word and more. In this fast-paced session, you will learn how to: find more than 1,000 opportunities that pay, find story ideas, conduct interviews and find sources, find and study your target market, and create pitches, queries and LOI's (letters of intent). Instructor: LeeAnne Krusemark

• **A \$10 materials fee is payable to the instructor in class.**
