

**TO ALL PERSONS APPLYING FOR A
CONDITIONAL USE PERMIT**

The purpose of a Conditional Use Permit is to insure that the use requested will be compatible with other existing and permitted uses located in the area.

The procedure for the processing of a Conditional Use Permit application is as follows:

1. Submit a complete application to the Community Development Department on the Thursday six weeks before the scheduled Planning and Environment Commission meeting.
2. The Community Development Department staff will set the date of public hearing before the Commission at a regular meeting and will circulate the required hearing notices.
3. The Planning and Environment Commission either approves with conditions, or denies applicant's application.
4. The Planning and Environment Commission's decision is subject to appeal to the City Council within twenty (20) calendar days.

THE COMMUNITY DEVELOPMENT DEPARTMENT STAFF WILL BE HAPPY TO ASSIST YOU. SHOULD YOU HAVE ANY QUESTIONS CONCERNING YOUR APPLICATION, PLEASE DO NOT HESITATE TO CONTACT THE DEPARTMENT:
TELEPHONE - (562) 866-9771, EXTENSION 2343

SPECIAL NOTES

You are advised **NOT** to obtain any loans or loan commitments on your property, or to clear the land, or do any work whatsoever that is dependent on final approval of your application. Anything you do before final approval **will be at your own risk.**

Do not assume that your case has been finally approved until you are officially notified of such decision **in writing** by the City.

Final approval requires favorable action by the Planning and Environment Commission. The decision of the Planning and Environment Commission is subject to appeal to or by the City Council. A decision of the Planning and Environment Commission is final only if no appeal is filed within the prescribed appeal period.

Also, remember that final approval alone may not be enough. **READ** the notice of the decision and the **RESOLUTION OF APPROVAL** of the Planning and Environment Commission on which the decision is based.

It is necessary that the project comply with **ALL** the conditions as set forth in the Resolution of Approval.
