ENVIRONMENTAL INFORMATION FORM
(To be Completed by Applicant)

Date Filed ____________________

GENERAL INFORMATION

1. Name and address of developer or project sponsor: ________________________________
   ____________________________________________________________

2. Address of project: ________________________________________________
   Assessor's Tract and Lot Number: _____________________________________

3. Name, address, and telephone number of person to be contacted concerning this project:
   ___________________________________________________________________

4. Indicate number of the permit application for the project to which this form pertains: __________

5. List and describe any other related permits and other public approvals required for this project, including those required by city, regional, state and federal agencies:
   ___________________________________________________________________
   ___________________________________________________________________
   ___________________________________________________________________

6. Existing zoning district: ________________________________________________

7. Proposed use of site (Project for which this form is filed): __________________________
   _______________________________________________________________________  

PROJECT DESCRIPTION

The following information must be submitted in full, attach additional sheets as necessary and provide one (1) set of project plans.

8. Site size: ____________________________________________________________

9. Square footage: ______________________________________________________
10. Number of floors of construction: ____________________________________________

11. Amount of off-street parking provided: ________________________________________

12. Proposed scheduling: ________________________________________________________

13. Associated projects: _________________________________________________________

14. Anticipated incremental development: _________________________________________

15. If residential, include the number of units, schedule of unit sizes, range of sale prices or rents, and type of household size expected:

16. If commercial, indicate the type, whether neighborhood, city or regionally-oriented, square footage of sales area, and loading facilities.

17. If industrial, indicate type, estimated employment per shift, and loading facilities.
18. If institutional, indicate the major function, estimated employment per shift, estimated occupancy, loading facilities, and community benefits to be derived from the project.

19. If the project involves a variance, conditional use or rezoning application, state this and indicate clearly why the application is required.

Are the following items applicable to the project or its effects? Discuss below all items checked yes (attach additional sheets as necessary).

<table>
<thead>
<tr>
<th>Yes</th>
<th>No</th>

</tr>
<tr>
<td>30. Substantially increase fossil fuel consumption (electricity, oil, natural gas, etc.).</td>
<td>☐ ☐</td>
</tr>
<tr>
<td>31. Relationship to a larger project or series of projects.</td>
<td>☐ ☐</td>
</tr>
</tbody>
</table>
ENVIRONMENTAL SETTING

32. Describe the project site as it exists before the project, including information on topography, soil stability, plants and animals, and any cultural, historical or scenic aspects. Describe any existing structures on the site, and the use of the structures. Attach photographs of the site. Snapshots or polaroid photos will be accepted.

33. Describe the surrounding properties, including information on plant and animals and any cultural, historical or scenic aspects. Indicate the type of land use (residential, commercial, etc.), intensity of land use (one-family, apartment houses, shops, department stores, etc.), and scale of development (height, frontage, setback, rear yard, etc.). Attach photographs of the vicinity. Snapshots or polaroid photos will be accepted.
CERTIFICATION

I hereby certify that the statements furnished above and in the attached exhibits present the data and information required for this initial evaluation to the best of my ability, and that the facts, statements, and information presented are true and correct to the best of my knowledge and belief.
