Writing for Online Blogs, Magazines & Websites - VIRTUAL
You don’t need a journalism-school degree or previously published articles to write for online blogs, magazines, and websites. Some online opportunities offer exposure and networking, while many pay well – $1 a word and more. In this fast-paced session, you will learn how to: find more than 1,000 opportunities that pay, find stories ideas, conduct interviews and create interesting content, protect your copyright, write query letters, and then use this credibility to sell other articles or even your self-published novel.
