ANNOUNCEMENTS AND PRESENTATIONS:
Captain Dave Fender, Commander of the Lakewood Sheriff's Station, displayed slides and provided a brief presentation on law enforcement efforts for illegal fireworks suppression. He stated that seizures of illegal fireworks were up significantly and calls to the station had dropped this year. He reported that 151 citations had been issued, with only about half of them being issued to persons living in the City of Lakewood. He concluded by noting that July 4th 2007 had been the quietest he had ever seen in the over nine years he had been working at the Lakewood station.

Responding to a question from Council Member Van Nostran, Captain Fender stated that there had been a couple of arrests on the 4th that were not related directly to fireworks, and that the Suppression Team paid specific attention to the streets holding City-permitted block parties.

Mayor DuBois requested that Captain Fender express the City Council's appreciation to all of the deputies who had worked both on and before July 4th to make it a safer celebration for everyone.
