It was the recommendation of staff that the City Council open the public hearing and continue the matter to the regular City Council meeting on November 8, 2005.

City Attorney Steve Skolnik advised that since this matter had been formally noticed as a public hearing, it would be appropriate to open the public hearing prior to continuance.

2.1 • ORDINANCE NO. 2005-11; APPROVING A SPECIFIC PLAN FOR PROPERTY LOCATED AT 11714 WALCROFT STREET

Community Development Director Chuck Ebner gave a brief oral presentation based on the report contained in the agenda and stated that as part of the City’s low and moderate-income housing program, the Lakewood Redevelopment Agency acquired the subject property and had received a proposal from Paramount Investors Group, LLC, to develop the site. The project would consist of two detached residential units, with the smaller, rear unit being designated as an “affordable” rental unit. Under the terms of the Design for Development Agreement with the developer, the rear unit would be offered as affordable housing for a period of 55 years from the date of final approval. He reported that although the project would closely follow the development standards for the Multi-Family Residential (MFR) zone, there were several exceptions including rear yard setback and open space which would require the adoption of a Specific Plan for the development. It was the recommendation of staff that the City Council introduce Ordinance No. 2005-11 adopting the Walcroft Street Specific Plan and set a public hearing on this matter for October 11, 2005.

COUNCIL MEMBER ROGERS MOVED AND COUNCIL MEMBER DUBOIS SECONDED TO INTRODUCE ORDINANCE NO. 2005-11 AND SET A PUBLIC HEARING ON THIS MATTER FOR TUESDAY, OCTOBER 11, 2005.

The City of Lakewood had been approved for the purchase of video surveillance systems for Water Plants 4 and 13. He noted that the grant funding was available on a reimbursable basis requiring the City to appropriate funds for the purchase.
