RI-5 Parking Restrictions for Street Sweeping Purposes

Mayor Esquivel stated there was someone requesting to be heard on this matter and called him forward to address the City Council.

Darrell Engle stated he was against the petition to post his street for no parking on street sweeping day. He also stated that he disagreed with staff’s implementation of street sweeping policies and concluded by requesting the City Council consider splitting the street and posting only the west side of Horst Avenue.

Lisa Rapp, Director of Public Works, advised that posting of one side was not feasible since both sides of the street are swept on the same day.

Responding to a question from Mayor Esquivel, Ms. Rapp stated that residents may add on or take their names off of street sweeping petitions up to the time the Community Safety Commission’s recommendation goes to the City Council for action.

COUNCIL MEMBER VAN NOSTRAN MOVED AND COUNCIL MEMBER PIERCY SECONDED TO CONSIDER THE TWO STREET SWEPPING LOCATIONS SEPARATELY. UPON ROLL CALL VOTE, THE MOTION WAS APPROVED:

AYES: COUNCIL MEMBERS: Piercy, Rogers, Van Nostran, Wagner and Esquivel
NAYS: COUNCIL MEMBERS: None

Council Member Van Nostran stated that since it appeared quite clear that a significant majority of the residents on Horst Avenue had recognized that there was a problem and were in favor of posting the street for no parking on street sweeping day, the Council should adopt the proposed resolution.

COUNCIL MEMBER VAN NOSTRAN MOVED AND COUNCIL MEMBER PIERCY SECONDED TO ADOPT RESOLUTION NO. 2003-28.
ROUTINE ITEMS: Continued
RESOLUTION NO. 2003-28; A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LAKEWOOD PROHIBITING THE PARKING OR STANDING OF VEHICLES BETWEEN 10 A.M. AND 3 P.M. ON TUESDAY OF EACH WEEK FOR STREET SWEEPING PURPOSES ON BOTH SIDES OF HORST AVENUE BETWEEN 208TH STREET AND CENTRALIA STREET

Vice Mayor Rogers requested clarification on the process for rescinding an approved street sweeping petition. Ms. Rapp stated that after one year had passed, a petition could be circulated to rescind the parking prohibition on street sweeping day. She advised that the process was similar and required over fifty percent of the residents on the block to agree to the removal. Vice Mayor Rogers stated that in this case, since it was clear that there was a more than sufficient number of signatures on the petition, the City Council should move forward with the approval.
