The upgrade would allow areas not in use to be shut off, thus saving energy. It was the recommendation of staff that the City Council approve the plans, specifications and working details for the project; award a contract to Barr Engineering, Inc. in the amount of $46,054; and authorize staff to approve a cumulative total of change orders not to exceed $2,300.

The Public Works Director gave a brief oral presentation based on the memorandum in the agenda and reported that the BEACON (Balancing Economic And Clean Ocean Needs) program had been formed in response to actions by the Los Angeles Regional Water Quality Control Board. The program, comprised of interested cities and the legal firm of Burke, Williams and Sorenson, would develop a plan that could be proven to improve water quality in a cost effective way. She concluded by stating that the proposed Joint Powers Agreement

for BEACON would go into effect once ten public entities had signed the agreement. It was
the recommendation of staff that the City Council authorize the execution of the Joint
Exercise of Powers Agreement for the Implementation of the Los Angeles County Economic
Development Corporation’s Balancing Economic and Clean Ocean Needs program and
authorize the expenditure of $5,000 for the initial membership fee.

Council Member Rogers inquired how many cities had made a commitment to the BEACON
program. Ms. Rapp responded by stating that two had joined and five others were in the
process.

COUNCIL MEMBER PIERCY MOVED AND VICE MAYOR ESQUIVEL SECONDED
to authorize the execution of Joint Exercise of Powers Agreement

3.2 • RE-CONSIDERATION OF CITY COUNCIL COMMITTEE/ORGANIZATIONAL
APPOINTMENTS [Continued from April 4, 2002]
Council Member Wagner stated that when the City Council Committee and Organizational
Appointments had been discussed at the March 26th meeting, he had made a request to
postpone consideration of the item so that he could discuss certain concerns with the Mayor.
When that request had not been granted, he had made a sub-motion requesting the item be
continued and had been astonished when the motion failed. He said he presumed that the
action had been taken in retribution for his opposition to certain portions of the fireworks
ordinance revision. He stated that he felt the action made it clear that involvement in any
organization or committee could be altered at any time on a whim or in retribution for some
other item where he chose to go against the majority. He further stated that he would prevent
the opportunity for such future action by withdrawing from the appointment process and
removing himself from all committee and organizational appointments, with the exception of
the School District Formation Ad Hoc Committee. He concluded by stating that he felt the
Mayor had violated a long-term policy of the Council by politicizing this process and that it
was not in the public interest.

Mayor Van Nostran noted he was disturbed by Council Member Wagner’s interpretation of
the action. He stated that the list of Council Committee and Organizational Appointments
had been distributed to all City Council Members well in advance of the meeting, requesting
their input and that all but Council Member Wagner had done their homework and returned
the form with their comments and requests. He further stated that he had happened to
encounter Council Member Wagner in City Hall before the meeting and upon mentioning the
appointments, Council Member Wagner had raised only one concern which the Mayor had

taken into consideration when deciding on the appointments. He remarked that while he felt it was unfortunate that Council Member Wagner felt he must withdraw from the appointment process, the other four Council Members were willing and able to take up the slack and cover all of the necessary appointments. He noted that the public was not served when all five Council Members could not work together as a body.

COUNCIL MEMBER PIERCY MOVED AND COUNCIL MEMBER ROGERS SECONDED TO RETURN CONSIDERATION OF THE COMMITTEE AND ORGANIZATIONAL APPOINTMENTS TO THE MAYOR’S OFFICE. UPON ROLL CALL VOTE, THE MOTION WAS APPROVED:

AYES: COUNCIL MEMBERS: Rogers, Esquivel, Piercy, Wagner and Van Nostran
