MEETING WAS CALLED TO ORDER at 7:30 p.m. by Mayor Wagner in the Council Chambers at the Civic Center, 5000 Clark Avenue, Lakewood, California.

INVOCATION was offered by Rabbi Claudio Kaiser Blueth, Temple Beth Zion Sinai

PLEDGE OF ALLEGIANCE was led by Council Member Todd Rogers

ROLL CALL: PRESENT: Mayor Robert Wagner
Vice Mayor Larry Van Nostran
Council Member Wayne Piercy
Council Member Todd Rogers

ABSENT: Council Member Joseph Esquivel (excused)

ANNOUNCEMENTS AND PRESENTATIONS:
Mayor Wagner announced that the City Council had dedicated the baseball stadium at Mayfair Park as Lisa Fernandez Field, in honor of the 2-time Olympic gold medallist. He noted that she had led her team from Saint Joseph’s High School to two CIF championships on that same field.

The Mayor extended thanks to the more than 300 volunteers who had participated in Lakewood’s Volunteer Day last Saturday. The volunteers worked at 25 locations around the City to clean up, paint and repair homes and yards.

LAKEWOOD CENTER MALL UPDATE
Charlie Hallums, General Manager of the Lakewood Center Mall, stated that the new food court had opened on April 7th and that many stores in the new wing were already open for business. He announced that the location vacated by Montgomery Ward would be taken over by Target Stores, with the Ward’s auto center becoming an additional parking area.

Responding to questions from Vice Mayor Van Nostran, Mr. Hallums stated that the initial plan included the Target store staying within the original sidewalk “footprint” of the Ward’s store. He also spoke briefly about the new concept of a family bathroom that was available in the food court area of the mall.

Mr. Hallums concluded by stating that the Mall would be increasing security, including additional camera locations, an additional security car and bicycle patrols. He further stated that they planned to establish a security office on the outside of the Mall, near the JCPenney store.
LAKEWOOD CENTER MALL UPDATE - Continued

Captain Robert Osborne, Commander of the Lakewood Sheriff’s Station, gave a brief presentation on Mall security issues and stated that criminals were naturally attracted to locations with large numbers of people. He reported that there was a deputy assigned specifically to the Mall to act as a liaison with Mall management and with merchants. He noted that in addition to deputies, Volunteers On Patrol (VOPs) made the rounds at the Mall on foot. Captain Osborne concluded by stating the public could help a great deal by being aware of the things going on around them and reporting anything unusual to security.

Council Member Rogers commended Mr. Hallums and Captain Osborne for the great job being done at the Mall for security and stated he would be interested to hear from them in the future about the impacts of the new security measures.

Mayor Wagner announced that he would continue this appointment to the next regular City
Council meeting to give his colleagues an opportunity to consider their availability to serve
on this important board.
3.2 • PURCHASE OF METERS FOR AUTOMATED METER READING SYSTEM
Director of Water Resources Jim Glancy, presented an oral report based on the memorandum contained in the agenda packet and stated a pilot program had been launched in 1995 to test the use of transmitting devices on large water meters so that they could be read by remote. He noted the success of the program, citing the accuracy and the large amounts of time saved. It was proposed that the program be extended to include additional large meter vaults, thereby reducing the potential safety hazards involved with lifting heavy vault lids. In order to be compatible with existing equipment, it was necessary to purchase the proposed equipment from Badger Meter Company. It was the recommendation of staff that the City Council authorize the purchase of additional automated meter reading equipment in an amount not to exceed $35,000 and approve an appropriation from the Water Revenue Fund in the amount of $35,000.

Responding to a question from Mayor Wagner, Mr. Glancy stated that there had been a minimum of problems with the equipment.

Council Member Piercy inquired whether, with the impressive time savings already realized using the automated equipment, there was any plan to extend the use of the equipment to residential areas. Mr. Glancy responded by stating that due to the cost of the equipment, use should be limited to meter locations where there could be issues pertaining to safety or accessibility.

In response to a question from Vice Mayor Van Nostran, Mr. Glancy stated that the remote reading of the meter could be accomplished either by walking or driving by the location and that although there had been no discernable difference from previous meter readings, automated meters could still be read manually whenever necessary for verification.

COUNCIL MEMBER ROGERS MOVED AND COUNCIL MEMBER PIERCY SECONDED TO APPROVE STAFF’S RECOMMENDATION. UPON ROLL CALL VOTE, THE MOTION WAS APPROVED:

AYES: COUNCIL MEMBERS: Piercy, Van Nostran, Rogers and Wagner
NAYS: COUNCIL MEMBERS: None
ABSENT: COUNCIL MEMBERS: Esquivel
