The project, estimated at $1,420,000, would be completed using the City’s Proposition C transit funds. It was the recommendation of staff that the City Council adopt the proposed resolution granting jurisdiction to the County, during construction, for portions of Candlewood Street and Del Amo Boulevard; approve an agreement with the County for the project; and find the project to be of a minor nature and exempt from CEQA requirements.

3.0 • URGENCY ITEM - APPROVAL OF CHANGE ORDERS FOR CENTRE BALLROOM A/V LIGHTING PROJECT - Continued

Council Member Van Nostran inquired about the choice of lease over purchase and Council Member Titel asked about the lease terms. Assistant City Administrator Michael Stover responded by stating that the logic for a lease/purchase, as opposed to outright purchase, was that since the equipment was for the benefit of groups patronizing the Centre, their rental fees for the use of the equipment would offset the monthly lease payments, providing a “pay-as-you-go” financing.
