Larry Schroeder, Director of Finance, presented an oral report based on the memorandum contained in the agenda packet and stated that the City Council had adopted a resolution in May directing the Finance Director to prepare a Report of Delinquent Fees as of May 31, 2000. The Finance Department had mailed 336 notices and some payments had been made. Scott Pomrehn, Senior Management Analyst in the Public Works Department, presented an oral report based on the memorandum contained in the agenda packet and reported that Metro Display Advertising (MDA) who had held a franchise for transit advertising shelters, had been wholly acquired through a merger agreement by Eller Media Company. Eller Media was requesting that the City approve the merger and extend the franchise. It was the recommendation of staff that since MDA and Eller Media had fulfilled all the previous franchise requirements, that the merger be approved and the franchise extended to July 31, 2001.

Responding to a question from Council Member Esquivel, Mr. Pomrehn stated that although the original franchisee had experienced some problems and been unable to meet required franchise payments, MDA had been operating since 1996 and had performed all duties under the franchise.
