1.1 • AWARD OF BID FOR PUBLIC WORKS PROJECT NO. 2019-1, PLAZA IMPROVEMENTS TO THE EXISTING CENTRE AT SYCAMORE PLAZA
Lisa Rapp, Director of Public Works, gave a report based on the memo in the agenda. She reported that three sealed bids had been received for the improvements to the existing Centre Plaza project, which consisted of site demolition and site improvements including earthwork, concrete hardscape, and other related improvements. She advised that there were adequate funds in The Centre Improvements budget to complete the full scope of contract work, and to cover a 20% contingency during installation noting that the slightly larger contingency had been requested because of the potential for unknowns regarding plumbing and electrical, which may need to be addressed. She concluded by stating that staff recommended that the City Council adopt the plans, specifications, and working details for the project; award a contract for the Plaza Improvements to the Existing Centre at Sycamore Plaza, Public Works Contract 2019-1, in the amount of $89,900 to the low bidder, Fleming Environmental, and authorize the Mayor to sign the contract in a form approved by the City Attorney; and authorize staff to approve a cumulative total of change orders, as necessary not to exceed $18,000.

Responding to Council Member Wood’s question regarding the timetable, Ms. Rapp stated that the work was estimated to be completed within thirty days.

Council Member Piazza emphasized the importance of the project to prevent any health and safety issues.
