

TO ALL PERSONS APPLYING FOR A VARIANCE

The purpose of a Variance is to correct inequalities caused by exceptional or extraordinary conditions or characteristics of a property that would result in practical difficulties, unnecessary non-economic hardships, or denial of rights possessed by others because of the strict enforcement of the Code.

The procedure for processing a Variance application is as follows:

1. Submit complete application to the Community Development Department on the Thursday six weeks before the scheduled PEC meeting.
2. Secretary will set the date of public hearing before the Commission at a regular meeting and will circulate the required hearing notices.
3. The meeting includes presentation of a staff report, a public hearing, testimony, and discussion why the variance should or should not be granted.
4. The Commission either approves, approves with conditions, or denies the application.
5. The Commission's decision is final and is subject to appeal to the City Council within twenty (20) calendar days.

THE COMMUNITY DEVELOPMENT DEPARTMENT STAFF WILL BE HAPPY TO ASSIST YOU. SHOULD YOU HAVE ANY QUESTIONS CONCERNING YOUR APPLICATION, PLEASE DO NOT HESITATE TO CONTACT THE DEPARTMENT:

PHONE - (562) 866-9771, EXTENSION 2341

SPECIAL NOTES

You are advised **NOT** to obtain any loans or loan commitments on your property, or to clear the land, or do any work whatsoever that is dependent on final approval of your application. Anything you do before final approval **will be at your own risk**. Do not assume that your case has been finally approved until you are officially notified of such a decision in writing by the City.

Final approval requires favorable action by the Planning and Environment Commission. The decision of the Planning and Environment Commission is subject to appeal to or by the City Council. A decision of the Planning and Environment Commission is final only if no appeal is filed within the prescribed appeal period. Also, bear in mind that final approval alone may not be enough. **READ** the notice of the decision and the **RESOLUTION** of the Planning and Environment Commission on which the decision is based. It is necessary that you comply with **ALL** the conditions as set forth therein before the final approval takes effect.
