

STATEMENT OF CASSANDRA CHASE
CANDIDATE FOR MEMBER OF THE CITY COUNCIL,
5th District
LAKWOOD CITY GENERAL MUNICIPAL ELECTION

Lakewood is my home. I was born here, currently serve on the Measure L Oversight Committee and support the efforts to make sure our voices are heard through Lakewood Forward. I've served as Miss Greater Lakewood, have been a member of the Lakewood Jaycees for 15 years and will serve my community for years to come. As your City Councilmember I'll work to ensure resources are allocated to sustain the safety and wellbeing of Lakewood's residents. My focus will be to increase civic engagement, provide programming and services for our most vulnerable residents and to ensure local businesses have the resources they need to succeed in a post pandemic changing economy.

Professionally, I oversee a civic engagement nonprofit and am a co-founder of an education based organization that empowers the next generation of leaders through literacy and leadership programming. As a graduate of UCI, I know the importance of educational attainment and also what you can do with your degree.

The Council's job is to support and protect our parks, libraries, and youth programs—all of which helped make me the person I am today. I am committed to serving our community and look forward to working with you.
