

**STATEMENT OF GREGORY SLAUGHTER
CANDIDATE FOR MEMBER OF THE CITY COUNCIL,
2nd District
LAKEWOOD CITY GENERAL MUNICIPAL ELECTION**

Dr. Gregory Slaughter

Retired Police Lieutenant

My wife and I are 28 year residents of Lakewood. I am a military veteran and a graduate of the F.B.I. National Academy. As a Lakewood resident I serve/ served on the Board of Directors: Los Angeles Regional Food Bank, American Red Cross, Friends of Lakewood Libraries, and the Boy Scouts. I am a member of the Veterans of Foreign Wars and our local American Legion Post and Neighborhood Watch. I led the efforts that brought District Elections to Lakewood.

I will be your neighborhood advocate to bring the highest level of public safety to our neighborhoods. I will advocate for increased specialized programs for our deputies, reserve deputies and volunteers. My daily priority is lowering the response time to criminal activities and promoting quality of life issues.

I will keep our residential neighborhoods safe, from housing element plans, that force apartment buildings and lower parking restrictions on our homeowners.

I will protect funding for our parks, libraries, and ensure that public education, for our children, is supported.

Finally, I will fight to ensure the financial security and a high quality infrastructure for our neighborhoods and business community.

I respectfully ask for your vote.
