**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND  
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENTAL AUDITING STANDARDS***

***Independent Auditors' Report***

To the Honorable Mayor and Members of City Council  
of the City of Lakewood  
Lakewood, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Lakewood, California (the "City") as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated November 30, 2015.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Honorable Mayor and Members of City Council  
of the City of Lakewood  
Lakewood, California  
Page 2

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM;  
REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON THE  
SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY OMB CIRCULAR A-133**

**Independent Auditor's Report**

To the Honorable Mayor and Members of City Council  
of the City of Lakewood  
Lakewood, California

**Report on Compliance for Each Major Federal Program**

We have audited the City of Lakewood, California's (the "City") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended June 30, 2015. The City's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

***Management's Responsibility***

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of the City's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City's compliance.

***Opinion on Each Major Federal Program***

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

### ***Other Matters***

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying schedule of findings and questioned costs as item 2015-01. Our opinion on each major federal program is not modified with respect to these matters.

The City's response to the noncompliance findings identified in our audit are described in the accompanying Schedule of Findings and Questioned Costs. The City's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

### **Report on Internal Control Over Compliance**

Management of the City is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies, and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weakness. However, we identified certain deficiencies in internal control over compliance as described in the accompanying Schedule of Findings and Questioned Costs as item 2015-01, that we consider to be significant deficiency.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

**Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133**

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the City's basic financial statements. We have issued our report thereon dated November 30, 2015, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming our opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain other procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditure of Federal Awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

**Note 1 – Reporting Entity**

The financial reporting entity consists of the primary government, City of Lakewood (the “City”), organizations for which the primary government is financially accountable, and other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity’s financial statements to be misleading or incomplete.

The City Council acts as the governing body and is able to impose its will on the following organizations, establishing financial accountability:

- The Lakewood Public Financing Authority

**Note 2 – Summary of Significant Accounting Policies**

***Basis of Accounting***

The activity of the City’s federal award programs are reported within the special revenue funds and the agency funds of the City. The City utilizes the modified accrual basis of accounting for the special revenue funds and accrual basis of accounting for agency funds as described in Note 2 to the City’s basic financial statements. The accompanying Schedule of Expenditures of Federal Awards (the “Schedule”) is presented in accordance with the requirements of OMB Circular A-133, Audits of State, Local Governments, and Non-Profit Organizations. Therefore, some amounts presented in the Schedule may differ from amounts presented in, or used in, the preparation of the City’s basic financial statements.

***Schedule of Expenditures of Federal Awards***

The accompanying Schedule presents the activity of all federal awards programs of the City and, therefore, does not present the financial position or results of operations of the City. Federal financial assistance received directly from federal agencies, as well as federal financial assistance passed through the Gateway Cities Council of Governments are included in the Schedule.

***Catalog of Federal Domestic Assistance (CFDA) Numbers***

The CFDA numbers included in the accompanying Schedule were determined based on the program name, review of grant contract information, and the Office of Management and Budget’s Catalog of Federal Domestic Assistance.

**Section III – Federal Award Findings and Questioned Costs**

**A. Current Year Findings and Questioned Costs – Major Federal Award Program Audit**

**2015-01 Reporting – Internal Controls and Compliance Over Reporting**

**Program:**

Department of Commerce, Economic Adjustment Assistance Revolving Loan Fund (“RLF”) Grant (CFDA Number 11.307, Gateway Cities Council of Governments. Award Number 07-49-03857)

**Criteria:**

Pursuant Instructions for Completion of RLF Semiannual Report for EDA-Funded Revolving Loan Fund Grants Awards, the Recipient is required to submit a “Semiannual” (Form ED-209) on a semi-annual basis. The reporting periods are April 1 – September 30 and November 1 –March 31. All data entries are to be reflective of activity within the applicable reporting period, unless noted otherwise. Submit the completed Semiannual Report to EDA within 30 days of the reporting period end date. The Semiannual Report must be received by EDA within 30 days of the report period end date.

**Condition:**

During our audit, we noted that the City did not submitted ED-209 and ED-209I for the period ending March 31, 2015 within 30 days timely. The City submitted on May 5, 2015 and the due date for the report was April 30, 2015.

**Cause:**

Monitoring is not sufficient to ensure all reports are submitted timely.

**Context and Effect:**

Failure to submit semi-annual reports or Income and Expense Statement in a timely manner may result in a termination of the award.

**Questioned Costs:**

None

**Recommendation:**

We recommend the City enforce the monitoring control over reporting process to ensure filing is completed timely

**Management Corrective Action Plan:**

Administrative Services staff has placed a process where reports are submitted within the deadline. This is for the EDA grant, as well as for all reports. Currently, the City is in the process to terminate the program and transfer the loans and unused funding to TELACU Community Capital.
