REPORTS:

- Report of CUP No. 904, 2nd six-month review, 6119 Hersholt Avenue, Guest Quarters was received and filed.

- 2015 General Plan Annual Progress Report

Senior Planner Paul Kuykendall summarized the 2015 General Plan Annual Progress Report, explaining that every city in the state is required to adopt a General Plan which guides the fiscal development of the city. The General Plan Annual Progress Report is required by the state to be prepared on an annual basis to monitor the ongoing implementation of the General Plan. This report must be submitted to the State Department of Housing and Community Development and the Governor’s Office of Planning and Research by April 1st of each year.

Lakewood’s Housing Element was adopted in October 2013 and placed Lakewood on an eight-year revision cycle rather than the more stringent four-year cycle. Lakewood’s RHNA number is 403 dwelling units. There are other residential projects in the planning phase or under construction that could yield up to another 84 new residential units. Residential building permit activity has been increasing slightly over the last two to three years. Commercial building activity has been relatively flat. Commercial properties are typically recycled and reinvestment occurs regularly and in a consistent rate on such properties.

Mr. Kuykendall concluded his report by stating that the Annual Report finds that the General Plan continues to successfully guide the development of the community. Staff recommends that the Commission recommend to the City Council that it receive and file the 2015 General Plan Progress Report.

Commissioner Manis moved and Vice Chairperson Stuckey seconded that, THE PLANNING AND ENVIRONMENT COMMISSION OF THE CITY OF LAKEWOOD, APPROVE STAFF RECOMMENDATION TO SUBMIT THE 2015 GENERAL PLAN ANNUAL PROGRESS REPORT TO THE CITY COUNCIL AND THAT IT DIRECT STAFF TO SUBMIT THE SAME TO THE STATE OF CALIFORNIA OFFICE OF PLANNING AND RESEARCH AND THE STATE DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT.
