

2022 Legislative Platform

Purpose Statement

The Lakewood City Council recognizes the need for an active state and federal legislative program to protect the city's interests in Sacramento and Washington, D.C. The 2022 Legislative Platform provides a framework for the City of Lakewood's legislative program. Adopted annually, the Legislative Platform is the foundation of a focused advocacy strategy and serves as a reference guide for legislative positions and objectives that provide direction for the City Council and staff throughout the year.

Legislative Program

The primary objective of the Legislative Platform is for the City Council to adopt official city positions on clearly stated legislative issues. By doing this, the legislative approval process is streamlined by eliminating the need for repetitive concurrence and direction from the City Council on previously approved issues. The Legislative Platform is developed and maintained using the goals and objectives of the City Council, a review of legislative priorities from the League of California Cities, League's Los Angeles Division, California Contract Cities Association and other partner agencies (see below), input from City Council and staff, research of current law and pending legislation, as well as discussions with local legislative staff and the City's legislative advocates.

Federal and state legislative proposals and policies consistent with the Legislative Platform may be supported by the City. Policies and proposals inconsistent with this Legislative Platform may be opposed by the City. For proposed legislation, either consistent with the City's Legislative Platform or consistent with legislative positions the City has taken in the past, City staff shall be authorized to prepare position letters with the Mayor's authorization. Items not addressed in the City's Legislative Platform may require further direction from the Intergovernmental Relations Committee and/or the City Council.

Legislative priorities may only address issues directly relevant to or impacting the provision of municipal services. Generally, the City will not address matters that are not pertinent to the City's local government services.
