**TO**: The Honorable Mayor and City Council

**SUBJECT**: Report of City Council Committees' Activities

#### INTRODUCTION

A brief update is provided for City Council review on the activities of the following standing committee: Public Safety Committee.

#### STATEMENT OF FACT

#### On February 12, the Public Safety Committee met and discussed:

#### **Public Outreach**

Highlights were provided of current and future public safety outreach efforts which included publicity on soliciting scams, emergency preparedness (CERT, Survive for 7 classes), the Lakewood Run, tax scams and tips to prevent home property/auto thefts.

#### Fourth of July Planning

The Public Safety Director noted that with the 4th of July being a Saturday this year, it was anticipated that celebrations might ramp up earlier. He described the enforcement and public outreach plans for the July 4th holiday, which include public service announcements; interviews with the City Manager, Captain and other public safety personnel; broadcast of a film special on Safe & Sane fireworks; Mayor's message on fireworks; and the filming of fireworks enforcement operations. He continued by stating that public education campaigns would utilize Lakewood Community News, Lakewood Living Magazine, eMag, social media and message board rentals.

Committee Member Rogers stated that he recognized the value of a rewards program for confiscated illegal fireworks and supported the preparation and broadcast of footage demonstrating preparation and operations of the July 4th holiday law enforcement activities.

The Director explained that with regard to permitted fireworks booths, the city would host its own informational meeting with the community groups about running such booths, which would cover personal safety tips, counterfeit currency, reporting suspicious activity, inspections of booths, fire prevention, and public outreach/educational materials. He stated that during the sales period of July 1 through July 4, frequent patrol checks would be conducted by LASD, VOPs and CSOs.

#### **Crime Trends and Statistics**

It was reported that with the exception of burglaries, Part 1 crimes were down across the board with 2,124 from 2018 to 2,030 in 2019. As for the Lakewood Center, there were a total of 354 Part 1 crimes in 2019 compared to 366 in 2018.

Council Committees' Activities February 25, 2020 Page 2

The Captain announced that the purchase of automated external defibrillators had been approved and that such life saving devices would provide immediate medical assistance. He noted that the year was off to a good start and expressed gratitude to the public safety leadership.

#### **Neighborhood Watch Update**

Staff stated that preparations were underway for the busy season with three of the four Neighborhood Watch Quarterly Seminar events having been set and placed on the City Council calendar. The first event will be held on March 25 at the Weingart Ballroom, with the seminar to be led by Sergeant Dana McCants of the LASD Cyber Crime and Fraud Unit, who would educate residents on common scams and potential safeguards to prevent becoming a victim of such scams. Future event dates are June 24, September 23, and late November/early December.

#### **Abatement Deputy Update**

It was reported that there was recently a homeless count conducted by the Los Angeles Homeless Services Authority (LAHSA) and volunteers, the results of which won't be available until June or July. However, it was estimated that the count is likely to be slightly lower than last year. The Sheriff Representative described some of the challenges with efforts to house some homeless individuals due to the lack of available low-income housing or shelters nearby, as well as the lack of interest by some homeless individuals to be housed.

#### **Miscellaneous**

Committee Member Rogers called attention to occurrences of illegal dumping throughout the City. He suggested options to allow for enforcement such as with security technology, surveillance or through the administrative citation process.

Staff explained the ongoing focus on illegal dumping over the last year and the reduction of complaints that have occurred as a result. That notwithstanding, staff acknowledged that there still are hotspots that need more attention. As to cameras, there ensued a discussion on the limitations with the commonly used surveillance security cameras due to the lack of power source. The idea of using security systems such as the Ring cameras as deterrents, as well as increasing public information messaging reminding residents of the EDCO large item pick up option were also mentioned.

#### RECOMMENDATION

It is recommended that the City Council receive and file this report.

Thaddeus McCormack

#### **COUNCIL AGENDA**

February 25, 2020

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Adopt a Resolution Appointing a Member and Alternates to the Governing Board

of the Los Angeles Gateway Region Integrated Regional Water Management Joint

**Powers Authority** 

#### INTRODUCTION

The City of Lakewood joined the Los Angeles Gateway Region Integrated Water Management Authority and Joint Powers Authority on July 24, 2007.

#### STATEMENT OF FACT

Currently, Director of Public Works Lisa Rapp is the primary board member, and Director of Water Resources Jason Wen, Public Works Environmental Programs Manager Konya Vivanti, and Water Administration Manager Toyasha Sebbag serve as the alternates. Since Toyasha Sebagg no longer works for the City of Lakewood, the proposed resolution will appoint Assistant Water Resources Director Derwin Dy to replace her as an alternate on the GWMA Board.

In accordance to GWMA's Bylaws adopted on October 12, 2015, all non-Legislative Body appointments to the GWMA Board must be done by Resolution. Legislative Body appointments may be done by minute order. Recent changes to the bylaws allow board members to serve until replaced by their appointing organization.

GWMA Board Members and alternate Board Members serve two-year terms beginning October 1st of each odd-numbered year and concluding on September 30th two years later. The proposed resolution attached to this report would designate a Board Member and alternate Board Member(s) to serve continuously across successive two-year terms such that the governing body need not reappoint the same persons to the GWMA Board every two years, unless the governing body desires to change its designated Board Member and/or alternate Board Member or must otherwise fill a vacancy.

#### RECOMMENDATION

Staff recommends the following action:

1. Approval of the proposed resolution appointing one primary board member and three alternate board members representing Lakewood with Gateway Region Integrated Regional Water Management Joint Powers Authority.

WHEREAS, the City of Lakewood is a member of the GWMA; and

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Amendment No. 8 to the Agreement with City Light and Power confirming a

change in ownership

#### INTRODUCTION

The City of Lakewood has a 25-year agreement with City Light and Power for operation and maintenance of our street lighting system. CLP has requested that the City concur with a proposed change in ownership.

#### STATEMENT OF FACT

The City of Lakewood entered into a 25-year agreement with City Light and Power in 1998 to upgrade, operate and maintain our city-owned street lighting system. They have been an outstanding service provider over the years and have always fulfilled the terms of their agreement. The agreement has provisions in it that require involvement with the original principals of the company, primarily William Simmons Sr. and notification to the city if there are any proposed changes in ownership.

For many years now, William Simmons Sr., although still an active participant in the business, has assigned management and customer relations duties to his sons, William Simmons Jr. and Tom Simmons. City staff has worked closely and exclusively with Bill Jr. and Tom Simmons for at least the past 10 years, and we have enjoyed a strong and positive relationship with them. We have been notified that William Simmons Sr. would like to retire, and plans to sell his stock in the company, about 65%, to Hunt Companies, an umbrella company from El Paso, Texas. Bill Jr and Tom Simmons would retain their 35% ownership stake in CLP and would continue to operate and manage CLP.

Hunt Companies is a family owned holding company that acquires existing companies that fit into their profile. They currently own multifamily real estate developments, a multifamily property management company, affordable housing development company, major construction company, construction management firm, and infrastructure investment firm. The Simmons brothers are very excited about the opportunities and resources that Hunt Companies could bring to CLP and their clients. Hunt has grown their holdings by acquiring successfully developed companies and continuing to operate them in their specific lines of business. The Simmons Brothers agreement with Hunt would guarantee that they would remain the principals at CLP for the next 5 years, and they plan it will be many more than five years. Hunt will also retain all the existing staff of CLP.

The proposed amendment to the contract with CLP would remove the references to William Simmons Sr., and insert the names of William Jr, and Tom Simmons. Our contracts often name principal contacts of the company who must remain as responsible parties. We have had previous instances when the company was sold, and the new owners were contractually required to retain the original representatives to the City, which has proven successful.

#### **RECOMMENDATION**

Staff recommends that Council approve Amendment No. 8 to the agreement with City Light and Power which confirms the change in ownership of the company and retains William Jr. and Tom Simmons as the principal contacts with the City of Lakewood.
