## **COUNCIL AGENDA**

April 9, 2013

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Notice of Completion – Watermain Replacement 2012- PW Project 12-02

### **INTRODUCTION**

Undersized cast iron water mains constructed during the 1950's were replaced with eight-inch diameter PVC water pipe. The project replaced two miles of water mains in the residential streets of Lorelei and Hersholt Avenues between Del Amo Boulevard and South Street and Hardwick and Michelson Streets between Pearce and Autry Avenues. The project included the installation of valves, fire hydrants, service lines, and will improve serviceability, fire protection and water supply reliability to the area.

### **STATEMENT OF FACT**

On August 28, 2012 the City Council awarded a contract for the project in the amount of \$1,071,700 to T.A. Rivard, Incorporated of Riverside and authorized staff to approve a cumulative total of contract change orders not to exceed \$125,000.

The final amount of the construction contract was \$1,009,296. The reduced contract amount was due to quantity adjustments of actual field measurements versus estimated bid quantities.

### **RECOMMENDATION**

That the City Council accept the work constructed by T.A. Rivard, Incorporated of Riverside for "Watermain Replacement 2012 - PW Project 12-02" in the amount of \$1,009,296.00 and authorize the City Clerk to file the Notice of Completion for the project.

Lisa Ann Rapp   
Director of Public Works

Howard L. Chambers  
City Manager

## COUNCIL AGENDA

April 9, 2013

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Community Safety Commission Recommendation – Disabled Person Parking

### INTRODUCTION

The Community Safety Commission met on March 4, 2013, to consider various community safety matters that included the consideration of requests for disabled person parking at 6037 Candlewood Street and 5938 Loomis Street.

### STATEMENT OF FACT

The first request for disabled person parking was received from the tenant of 6037 Candlewood Street stating she lives near a church, parking is limited several times a week, cannot walk a great distance, and her vehicle is too high to park in her garage in the alley. Additionally, to guarantee parking in front of her home she must arrange her errands around church activities, and has not been able to obtain cooperation from other church members. Staff verified the placard for this address and monitored the site to find that parking was limited during church activities.

The second request is from the resident at 5938 Loomis Street. The requestor no longer drives and cannot maneuver into a vehicle parked on the slanted driveway. Requests for cooperation have been made, but neighbors continue to park in front of his home. The placard was verified for this address and the location was monitored to find that some vehicles were parked on the street and it appeared that the vehicles belonged to residents of the neighborhood.

### RECOMMENDATION

The Community Safety Commission recommends that the City Council adopt the attached resolutions authorizing installation of disabled person designated parking at 6037 Candlewood Street and 5938 Loomis Street.

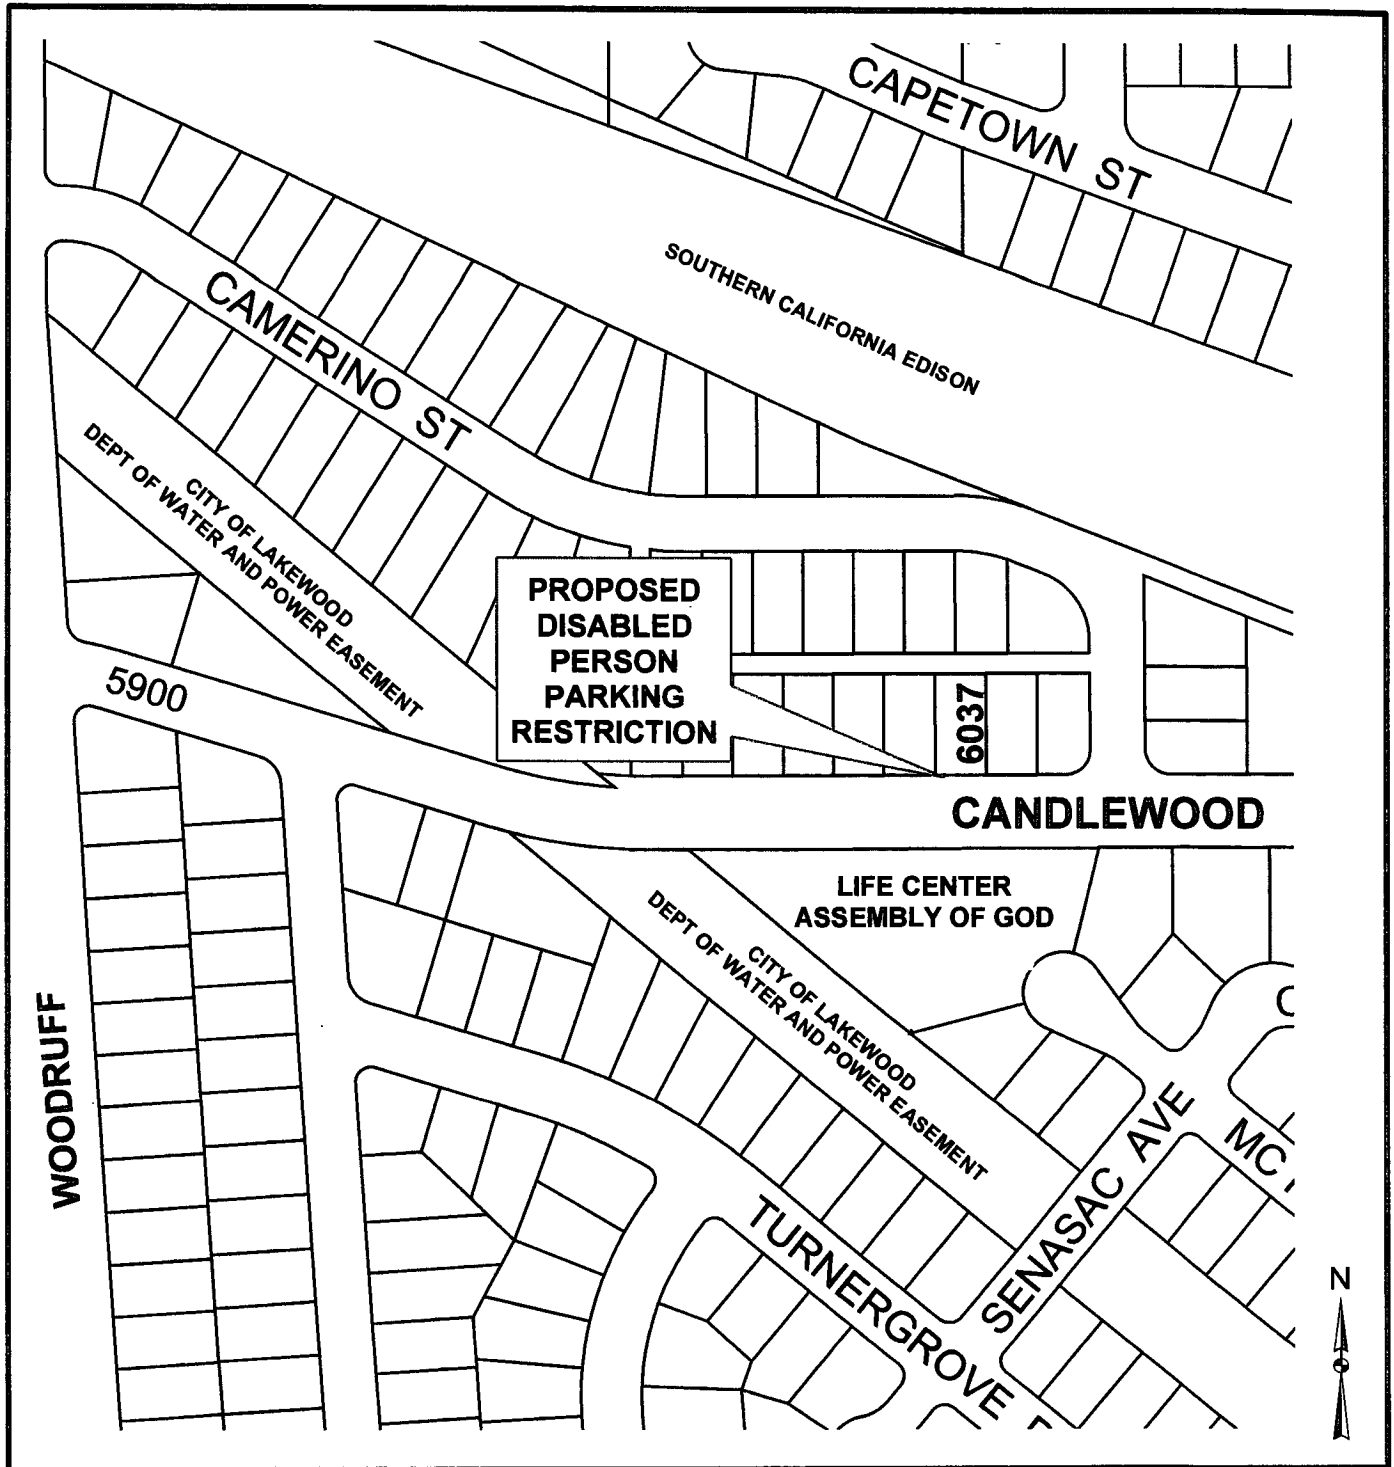

Lisa Ann Rapp   
Director of Public Works

Howard L. Chambers  
City Manager

**MARCH 4, 2013**

**DISABLED PERSON PARKING REQUEST  
6037 CANDLEWOOD STREET  
TELOG NO. 2013-06**

RESOLUTION NO. 2013-6

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
LAKEWOOD ESTABLISHING DISABLED PERSON  
DESIGNATED PARKING ON THE NORTH SIDE OF  
CANDLEWOOD STREET WITHIN THE CITY OF LAKEWOOD

THE CITY COUNCIL OF THE CITY OF LAKEWOOD DOES RESOLVE AS FOLLOWS:

SECTION 1. This Resolution is enacted pursuant to Section 21458 and 22507 of the Vehicle Code of the State of California, and Section 3250.2 of the Lakewood Municipal Code.

SECTION 2. Disabled person designated parking is hereby established on the north side of Candlewood Street, beginning one hundred thirteen (113) feet west of the westerly curb line of Camerino Street, continuing westerly for a distance of twenty-five (25) feet within the City of Lakewood. No vehicle shall stop, stand or park in said parking restriction unless displaying a special identification license plate or placard issued by the Department of Motor Vehicles pursuant to Section 22511.55 of the California Vehicle Code.

SECTION 3. This resolution shall be effective as long as said restriction is painted and posted in accordance with the requirements of Vehicle Code Section 22511.7 of the California Vehicle Code. In addition, this resolution shall be in effect only as long as Jolene Evans, a physically disabled person, occupies the house at 6037 Candlewood Street.

SECTION 4. This resolution has been adopted pursuant to a Community Safety Commission recommendation.

ADOPTED AND APPROVED this 9th day of April, 2013.

RESOLUTION NO. 2013-7

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
LAKEWOOD ESTABLISHING DISABLED PERSON  
DESIGNATED PARKING ON THE SOUTH SIDE OF LOOMIS  
STREET WITHIN THE CITY OF LAKEWOOD

THE CITY COUNCIL OF THE CITY OF LAKEWOOD DOES RESOLVE AS FOLLOWS:

SECTION 1. This Resolution is enacted pursuant to Section 21458 and 22507 of the Vehicle Code of the State of California, and Section 3250.2 of the Lakewood Municipal Code.

SECTION 2. Disabled person designated parking is hereby established on the south side of Loomis Street, beginning three hundred ninety-eight (398) feet east of the easterly curb line of Woodruff Avenue East Service Road, continuing easterly for a distance of (20) feet within the City of Lakewood. No vehicle shall stop, stand or park in said parking restriction unless displaying a special identification license plate or placard issued by the Department of Motor Vehicles pursuant to Section 22511.55 of the California Vehicle Code.

SECTION 3. This resolution shall be effective as long as said restriction is painted and posted in accordance with the requirements of Vehicle Code Section 22511.7 of the California Vehicle Code. In addition, this resolution shall be in effect only as long as Roger Persons, a physically disabled person, occupies the house at 5938 Loomis Street.

SECTION 4. This resolution has been adopted pursuant to a Community Safety Commission recommendation.

ADOPTED AND APPROVED this 9th day of April, 2013.

## **COUNCIL AGENDA**

April 9, 2013

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Authorization for Execution of Documents for Iacoboni Library Transfer

### **STATEMENT OF FACTS**

The Los Angeles County Public Library System has maintained a public library facility in the Lakewood Civic Center since 1957. The original facility, which was located between City Hall and the Lakewood Sheriff's Station, was abandoned upon completion of the current facility located south of The Centre. Construction began in 1971 and the new library, named in honor of the first mayor of Lakewood, Angelo M. Iacoboni, was dedicated in March, 1973.

The City entered into a ground lease agreement with the County of Los Angeles for the Angelo M. Iacoboni Library in August, 1971. This agreement included an option to purchase, for library purposes only, which the County has chosen to exercise and the purchase has been approved by the County Board of Supervisors. The City will receive documents for execution to complete the transfer.

### **RECOMMENDATION**

It is the recommendation of staff that the City Council authorize the Mayor, upon approval as to form by the City Attorney, to execute all documents necessary to conclude the purchase and complete the transfer of the property.

Howard L. Chambers  
City Manager

## **COUNCIL AGENDA**

April 9, 2013

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Memorandum of Agreement with Gateway Cities Council of Governments for Coordinated Monitoring Plan for the Los Angeles River

### **INTRODUCTION**

On July 9, 2010, the Los Angeles Regional Water Quality Control Board (Regional Board) adopted the Los Angeles River and Tributaries Bacteria Total Maximum Daily Load (TMDL) which requires all Los Angeles River (LAR) watershed cities and agencies to develop a Coordinated Monitoring Plan (CMP). The purpose of the CMP is to assess the amount of bacteria pollutants in the Los Angeles River and its tributaries. The CMP must be prepared and submitted to the Regional Water Quality Control Board by March 23, 2013. Monitoring is to begin upon approval of the CMP by the Regional Board.

43 agencies and Cal Trans have jurisdiction over lands that are tributary to the Los Angeles River, which extends from headwaters at the westernmost end of the San Fernando Valley and the foothills of the San Gabriel Mountains to the Los Angeles River estuary that begins at Willow Street in Long Beach. Thirty-seven (37) municipalities have indicated their intent to enter into a Memorandum of Agreement with the Gateway Cities Council of Governments (COG) to share the cost to prepare and implement the CMP. The city previously entered into substantially similar monitoring agreement with the COG for the metals CMP.

### **BACKGROUND**

Over the years, water quality in rivers, streams and lakes has been impaired by pollutants from a variety of sources. However since the signing of the Federal Clean Water Act (CWA) in 1972, water quality has improved greatly, primarily through regulation of point source discharges. Although, great efforts have been made in restoring our state's water quality, there are still impaired water bodies that need attention. Restoring water quality is crucial in maintaining a healthy environment and ensuring the sustainability of such water bodies.

Several segments of the Los Angeles River have been identified by the California Regional Water Quality Control Board (RWQCB) as having exceeded water quality objectives for bacteria. For this reason, the Clean Water Act requires a Total Maximum Daily Load (TMDL) be developed to restore the impaired waterbodies to their full beneficial uses. This TMDL became enforceable upon the adopting of the Los Angeles County area MS4 permit on November 8, 2012. The numeric targets are based on a single type of bacteria (*E. coli*), and set as 235 MPN/100 ml for single samples and 126 MPN/100 ml as a geometric mean.

## Approval of Agreement For LA River Bacteria TMDL

April 9, 2013

Page Two

The term of the TMDL extends until March 23, 2028 for dry-weather and has not been established for the wet-weather portion. Therefore this Memorandum of Agreement extends only through March 23, 2028. Participating cities can withdraw at any time with 30 days' notice. The City of Los Angeles has provided a Scope of Services for this Bacteria TMDL CMP and it is attached as Exhibit B. The total annual costs will be approximately \$140,000 which includes monitoring and the COG's administrative costs. There is also a one-time setup cost of approximately \$20,000 for CMP preparation.

The City of Los Angeles, under a previous agreement with the COG, has been satisfactorily conducting Metals CMP activities for the past 3 years and has provided a cost estimate for adding Bacteria CMP activities. The Los Angeles River TMDL Technical and Steering Committees which are comprised of agency representatives have approved and are recommending the City of Los Angeles as the CMP contractor.

Since the CMP will require administration, invoicing of participating local agencies, bill payments and auditing, the Cities, in order to expedite the preparation of this plan and collection of the samples the agreement will consist of the COG providing administrative services and Cities sharing in fully funding of the costs of developing the CMP and its subsequent implementation.

### **FISCAL IMPACT**

The estimated fiscal year budget for 2013-14 for this CMP is shown in Exhibit A. The first invoice is due no later than July 31, 2013, with the understanding that all agencies will execute the agreement not later than March 31, 2013. Subsequent annual invoices will be due no later than July 31<sup>st</sup> of each year.

According to the cost allocation formula shown on Exhibit A of the MOA, the city of Lakewood's allocation is approximately \$883.35 for FY13-14.

### **RECOMMENDATION**

Staff recommends that City Council approve the Memorandum of Agreement for the administration and cost sharing of the development of the Coordinated Monitoring Plan for the Los Angeles River and Tributaries Bacteria Total Maximum Daily Loads.

Lisa Ann Rapp   
Director of Public Works

Howard L. Chambers   
City Manager

MEMORANDUM OF AGREEMENT  
BETWEEN  
THE GATEWAY CITIES COUNCIL OF GOVERNMENTS  
AND  
THE CITY OF LAKEWOOD

REGARDING THE ADMINISTRATION AND COST SHARING OF THE  
COORDINATED MONITORING PLAN FOR THE LOS ANGELES RIVER AND  
TRIBUTARIES BACTERIA TMDL

This Memorandum of Agreement ("Agreement") is made and entered into as of the date of the last signature set forth below by and between the Gateway Cities Council of Governments, a California joint powers authority ("GCCOG"), and the City of Lakewood a California municipal corporation ("City"); (hereinafter "Party" or "Parties") with respect to the following:

RECITALS

WHEREAS, the mission of the GCCOG includes environmental planning and providing technically sound science and analyses to its member cities and agencies; and

WHEREAS, eighteen of the GCCOG's member cities are located within the Los Angeles River watershed and the GCCOG has established effective working relationships with the adjacent Councils of Governments; and

WHEREAS, the GCCOG has previously entered into interagency agreements, successfully partnering with various cities, SCAG, and CALTRANS to undertake projects and studies of regional significance; and

WHEREAS, the Regional Water Quality Control Board, Los Angeles Region ("Regional Board") adopted the Los Angeles River and Tributaries Bacteria Total Maximum Daily Load (TMDL) in July of 2010, with the intent of improving water quality in the Los Angeles River and its tributaries; and

WHEREAS, the Parties recognize that the TMDL is not self-enforcing, but is legally enforceable once incorporated into the National Pollutant Discharge Elimination System Permit for Waste Discharge Requirements for Municipal Storm Water and Urban Runoff Discharges; and

WHEREAS, this TMDL regulates the discharge of runoff from, forty-two cities tributary to the Los Angeles River and the unincorporated areas of Los Angeles County and CALTRANS, herein referred to as collectively the "Regulated Entities" or singularly a "Regulated Entity", requiring a high degree of organization and cooperation from the local watershed agencies; and

WHEREAS, this TMDL requires the preparation of a Coordinated Monitoring Plan ("CMP") and ongoing monitoring by the Regulated Entities once the CMP is approved by the Regional Board; and

WHEREAS, the Regulated Entities are also responsible for preparing Load Reduction Strategies (LRS) to reduce the amount of bacteria being discharged into the Los Angeles River and Tributaries and the Regulated Entities will retain responsibility for the preparation of the LRS, but will benefit from the monitoring information generated by the CMP, and

WHEREAS, a Los Angeles River Bacteria TMDL Technical Committee, consisting of representatives from the Regulated Entities, has been established with the purpose of preparing and submitting the CMP to the Regional Board; and

WHEREAS, the Regulated Entities agree to prepare a CMP by March 23, 2013, the adoption and initial funding of this Agreement will be by the Regulated Entities; and

WHEREAS, the Regulated Entities agree to implement the CMP upon approval by the Regional Board; and

WHEREAS, the CMP requires administrative services that the Regulated Entities desire the GCCOG to coordinate, including contracting for the development of both the draft and final CMP and other related activities; and

WHEREAS, the GCCOG has agreed to provide administrative services to the Regulated Entities to facilitate the successful implementation of the CMP; and

WHEREAS, the Regulated Entities have agreed to share in fully funding the costs of the CMP, including those costs incurred by the GCCOG in administering this Agreement, based on the cost allocation formula contained in Exhibit A and the estimated implementation plan in Exhibit B of this Agreement; and

WHEREAS, the GCCOG and the Regulated Entities agree to employ consultants as needed to prepare the CMP, and the Regulated Entities are willing to pay the consultants for their services through the GCCOG; and

WHEREAS, from time to time, special studies will need to be conducted in support of the CMP and to evaluate Load Reduction Strategies; and

WHEREAS, GCCOG will execute similar cost-sharing agreements with all other Regulated Entities before this agreement becomes enforceable, unless stated otherwise elsewhere in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth herein, the Parties do hereby agree as follows:

Section 1. Recitals. The recitals set forth above are fully incorporated as part of this Agreement.

Section 2. Purpose. The purpose of this Agreement is to cooperatively fund the preparation of and implementation of the CMP.

Section 3. Cooperation. The Parties shall fully cooperate with one another to attain the purposes of this Agreement.

Section 4. Voluntary Nature. This Agreement is voluntarily entered into for the implementation of the CMP.

Section 5. Term. The term of this Agreement shall remain and continue in effect until the scheduled final dry-weather TMDL deadline of March 23, 2028,

Section 6. Coordinated Monitoring Plan. The Los Angeles River Bacteria TMDL CMP consists of: collection of samples, laboratory analysis, characterization, special studies, reporting, and other regulatory requirements.

Section 7. Assessment for Proportional Costs of the CMP. The City of Lakewood agrees to provide funds to the GCCOG in the amount shown in Exhibit A and the estimated implementation costs in Exhibit B attached hereto and made a part of this Agreement by this reference. The GCCOG will invoice the City upon the execution of this Agreement, based on allocated CMP costs, which includes all administrative costs incurred by the GCCOG in the performance of its duties under this Agreement. The GCCOG administrative costs include compensation for staff time, audit expenses, and costs incurred in administering agreements. Any overpayment or underpayment of the CMP costs shall be credited or billed to the City. Costs are subject to change depending upon the number of participating Regulated Entities and recommendations of the Technical Committee based upon new or modified requirements of the Regional Board.

Section 8. Role of the GCCOG. The GCCOG shall enter into substantially and materially similar agreement with each of the Regulated Entities to effectuate the CMP, invoice and collect from the Regulated Entities the estimated amounts identified in Exhibit A.

Section 9. Invoice and Payment.

- a) The GCCOG shall invoice each Regulated Entity not later than July 30, 2013.
- b) Delinquent Payments – A Regulated Entity's payment is considered to be delinquent 60 days after being invoiced by the GCCOG. The following procedure may be implemented to attain payments from the delinquent Regulated Entity or Entities per instructions from the Technical Committee: 1) verbally contact/meet with the manager from the delinquent Regulated Entity

or Entities, 2) submit a formal letter to the delinquent Regulated Entity or Entities from the GCCOG attorney, and 3) notify the Regional Board that the delinquent Regulated Entity or Entities are no longer a participating member of the CMP. If a Regulated Entity or Entities remain delinquent after the above procedures, then any delinquent amount(s) will be distributed in the following year's invoice amongst all remaining Regulated Entities proportionate to each Entity's area as it relates to the overall remaining total Regulated Entities area, excluding the delinquent Regulated Entity or Entities. The Technical Committee will revise Exhibit A to show the recalculated costs for each participating Regulated Entity; these revised exhibits will be sent to the GCCOG and included with the annual invoices to the Regulated Entities.

- c) Interest Accrual – Any interest accrued on the funds collected per this Agreement during the term of this Agreement shall be redeposited into the appropriate account and used for implementation of the CMP. The GCCOG shall report on an annual basis to the Technical Committee the amount of interest accrued by the CMP account(s).
- d) Excess Funds – Any collected funds not spent in any annual period shall remain in the appropriate account and used for implementation of the CMP or special studies as directed by the Technical Committee.

#### Section 10. Independent Contractor.

- a) The GCCOG is and shall at all times remain a wholly independent contractor for performance of the obligations described in this Agreement. The GCCOG officers, employees and agents performing such obligations shall at all times be under the GCCOG's exclusive control. The Regulated Entities shall not have control over the conduct of the GCCOG or any of its officers, employees or agents, except as set forth in this Agreement. The GCCOG, and its officers, employees, or agents are not and shall not be deemed to be employees of the Regulated Entities.
- b) No employee benefits shall be available to the GCCOG in connection with the performance of its obligations under this Agreement. The GCCOG is solely responsible for the payment of salaries, wages, other compensation, employment taxes, worker's compensation, or similar taxes for its employees for performing obligations hereunder.

#### Section 11. Indemnification.

To the fullest extent permitted by law, the City of Lakewood and the GCCOG agree to save, indemnify, defend, and hold harmless each other from any and all liability, claims, suits, actions, arbitration proceedings, administrative proceedings, and regulatory proceedings, losses, expenses, or any injury or damage of any kind whatsoever, whether actual, alleged or threatened, attorney

fees, court costs, and any other costs of any nature without restriction incurred in relation to, as a consequence of, or arising out of, the performance of this Agreement, and attributable to the fault of the other. Following a determination of the percentage of fault and or liability by agreement between the Parties or a court of competent jurisdiction, the Party responsible for liability to the other will indemnify the other Party to this Agreement for the percentage of liability determined.

Section 12. Termination of Agreement.

Either Party may terminate this Agreement for any reason, in whole or part, by giving the other Party thirty (30) days written notice thereof. The City of Lakewood shall be responsible for the allocated costs of CMP activities incurred up to the date of the termination. GCCOG shall notify in writing all Regulated Entities within fourteen (14) days of receiving written notice from any Regulated Entity that intends to terminate this Agreement. The remaining Regulated Entities shall be responsible for increasing their cost contribution proportionally based upon the land area as shown in Exhibit A.

Section 15. Miscellaneous.

- a) Notices. All notices which any Party is required or desires to give hereunder shall be in writing and shall be deemed given when delivered personally or three (3) days after mailing by registered or certified mail (return receipt requested) to the following address or as such other addresses as the Parties may from time to time designate by written notice in the aforesaid manner:

To GCCOG:

**Richard Powers  
Executive Director  
16401 Paramount Boulevard  
Paramount, California 90723**

To City of Lakewood

**Steve Croft  
Mayor  
5050 Clark Avenue  
Lakewood, CA 90712**

- b) Separate Accounting and Auditing. The GCCOG agrees to establish a separate account to track the revenues from the Regulated Entities and the expenses from of the CMP. Quarterly financial statements and the annual audit will be made available to all of the participating Regulated Entities.
- c) Binding Effect. This Agreement shall be binding upon and inure to the benefit of each Party to this Agreement and their respective heirs, administrators, representatives, successors and assigns.
- d) Amendment. The terms and provisions of this Agreement may not be amended, modified or waived, except by an instrument in writing signed by the Parties.
- e) Waiver. Waiver by any Party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any Party to any breach of the provisions of this Agreement shall not constitute a waiver of any other provision, nor a waiver of any subsequent breach or violation of any provision of this Agreement.
- f) Law to Govern; Venue. This Agreement shall be interpreted, construed, and governed according to the laws of the State of California. In the event of litigation between the Parties, venue in the state trial courts shall lie exclusively in the County of Los Angeles.
- g) No Presumption in Drafting. The Parties to this Agreement agree that the general rule that an Agreement is to be interpreted against the Party drafting it, or causing it to be prepared shall not apply.
- h) Entire Agreement. This Agreement constitutes the entire agreement of the Parties with respect to the subject matter hereof and supersedes all prior or contemporaneous agreements, whether written or oral, with respect thereto.
- i) Severability. If any term, provision, condition or covenant of this Agreement is declared or determined by any court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions of this Agreement shall not be affected thereby and this Agreement shall be read and constructed without the invalid, void, or unenforceable provision(s).
- j) Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which taken together shall constitute but one and the same instrument, provided, however, that such counterparts shall have been delivered to both Parties to this Agreement.
- k) Legal Representation. All Parties have been represented by counsel in the preparation and negotiation of this Agreement. Accordingly, this Agreement shall be construed according to its fair language.

- 1) Agency Authorization. Each of the persons signing below on behalf of a Party represents and warrants that he or she is authorized to sign this Agreement on behalf of such Party.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed on their behalf, respectively, as follows:

## EXHIBIT B

## Los Angeles River Bacteria TMDL Ambient Monitoring Program

## Estimated Annual Cost of Monitoring

Prepared by City of Los Angeles - Watershed Protection Division

Field Work	No. Sampling Sites	Cost per Site	Total Cost per Month	Events per Year	Annual cost
Grab Sampling: <i>Main Stem (Segments A-E) and Tributaries</i>	16	\$ 200.00	\$ 3,200.00	12	\$ 38,400.00
<i>Subtotal</i>					\$ 38,400.00
Laboratory Analysis			No. Samples (per yr) <sup>c</sup>	Cost Per Sample <sup>d</sup>	Annual cost
<i>E. coli</i> (Idexx Colilert, chromogenic substrate method)			216	\$ 44.87	\$ 9,691.92
<i>Subtotal</i>					\$ 9,691.92
Equipment & Supplies					Annual Cost
Miscellaneous Consumables					\$ 2,000.00
Sterile Bottles and preservative					\$ 500.00
<i>Subtotal</i>					\$ 2,500.00
Program Management					Annual Cost
Supervision, Coordination w/ Lab, Data Management, Reporting, etc. (recurring costs)					\$ 20,000.00
<i>Subtotal</i>					\$ 20,000.00
As Required by MS-4 Permit					
Water Quality Measurements <sup>a</sup> <i>(pH, Temp, DO, Conductivity)</i>	16	\$ 50.00	\$ 800.00	12	\$ 9,600.00
Flow Measurements <sup>b</sup>	16	\$ 250.00	\$ 4,000.00	12	\$ 48,000.00
Total Annual Cost					\$ 128,191.92

Program Management	First Year Cost only
Monitoring Plan and Quality Assurance Plan Development ( <i>one time cost</i> )	\$ 15,000.00
Reporting Template Set up ( <i>one time cost</i> )	\$ 5,000.00
<b>Total One Time Program Cost</b>	<b>\$ 20,000.00</b>

Footnotes:

<sup>a</sup> The TMDL does not require water quality measurements (pH, temperature, Dissolved O<sub>2</sub>, conductivity); cost is optional depending on Stakeholders' preference.

<sup>b</sup> The TMDL does not explicitly require Flow Measurements; however, Flow Measurements would be necessary to calculate bacteria loads for each of the River segments and Tributaries.

<sup>c</sup> The number of samples per year includes a Field Blank and Field Duplicate for each sample event.

<sup>d</sup> The cost per sample could increase if the min/max reporting limits need to be expanded. For example, two Idexx test kits would be needed (per sample) to quantify bacteria concentrations between 1 MPN/100 mL and 2.4 Million MPN/100 mL.

## COUNCIL AGENDA

April 9, 2013

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Notice of Completion – Residential Street Rehab –2012 - PW Project 12-01

### INTRODUCTION

The project resurfaced 6 miles of residential streets with rubberized asphalt concrete. Removal and replacement of 4.7 miles of sidewalk and 2.6 miles of curb and gutter were also included. Design and construction management were by City staff.

### STATEMENT OF FACT

The repaved residential streets are bound by Bellflower Blvd, Woodruff Ave, Del Amo Blvd and Centralia St. Also repaved were the streets in the Ponderosa Tract (west side of Clark across from Craig Williams School) and the streets tabulated below.

Street	Limits	Limits
<b>Del Amo North Service Rd</b>	Bellflower Blvd	Woodruff Ave
<b>Dunrobin Ave</b>	Del Amo Blvd	Candlewood St
<b>Ocana Ave</b>	Hardwick St	Candlewood St
<b>Autry Ave</b>	South St	Andy St
<b>Amos Ave</b>	Andy St	Hedda St
<b>Andy St</b>	Autry Ave	Bellflower Blvd
<b>Bellflower East Service Rd</b>	Rocket St	Allington St

The need for hardscape repair on this project was much more extensive than anticipated, particularly, curb and gutter. Surveying during construction revealed that additional linear footage of curb and gutter was needed in order for water to properly flow in the gutter. Almost 60 percent more curb and gutter was constructed which increased the contract price by \$325,000. The total amount of hardscape work was \$1,257,682, an increase of \$460,000.

The City Council awarded a contract in the amount of \$669,940.25 to R. J. Noble Company of Orange on June 12, 2012. On July 24, 2012 the City Council authorized paving additional streets in the amount of \$1,284,000. Staff was authorized to approve a total of \$200,000 in contract change orders. The final amount of the construction contract was \$2,465,288.27.

The construction cost was funded by Measure “R” Local Return funds allocated to the City. There are adequate funds in the budget for this project and Metro approved use of sufficient Measure “R” funds.

**RECOMMENDATION**

That the City Council:

1. Accept the work constructed by R. J. Noble Company of Orange for "Residential Street Rehab –2012 - PW Project 12-01" in the amount of \$2,465,288.27 and authorize the City Clerk to file the Notice of Completion for the project.
2. Ratify Contract Change Orders for "Residential Street Rehab –2012 - PW Project 12-01" in the total amount of \$511,413.02 to R. J. Noble Company of Orange.

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Intergovernmental Relations Committee Recommendations:  
Annual Statement of Intergovernmental Relations Goals

## **INTRODUCTION**

The City Council's Intergovernmental Relations Committee has completed its discussions and recommends intergovernmental relations goals for 2013. The goals establish the work program of the City Council's Intergovernmental Relations Committee and the platform for city advocacy meetings and trips. The goals also focus on the State Capitol efforts of Anthony, Jason and Paul Gonsalves, the city's Sacramento-based professional legislative representatives. The annual goals authorize the city's active participation in the coalitions of cities and other agencies that work to affect federal and state decision-making.

## **STATEMENT OF FACTS**

Intergovernmental priorities materialize throughout the legislative session based upon the goals adopted by the City Council, in addition to issues that the city is already working on. Current federal intergovernmental priorities for 2013, to name just a few, include opposing domestic and defense budget cuts that would reduce federal aid to state and local governments due to sequestration, monitoring CDBG, JAG, and COPS funding; and opposing loss of local control over land use decisions.

On the state side, priorities include monitoring the implementation of the Affordable Care Act; tracking further state prison realignment proposals; and supporting legislation that encourages economic development for cities to help replace the loss of redevelopment.

Regionally, the city will continue to participate in the Regional Housing Needs Assessment (RHNA) process and SB 375 Sustainable Communities Strategy (SCS) implementation via the Gateway Cities Council of Governments (COG) and Southern California Association of Governments (SCAG). The city will also monitor the "Clean Water, Clean Beaches" measure that provides funding for cities for the removal of pollutants from local waterways.

For 2013, the Intergovernmental Relations Committee submits the following goals:

Except as otherwise noted in this statement or as modified by the City Council's Intergovernmental Relations Committee or by the City Council, the City of Lakewood, in its intergovernmental and legislative advocacy activities, shall monitor the annual legislative programs of the following organizations:

## **COUNCIL AGENDA**

**April 9, 2013**

**Page 2 of 6**

### **Federal**

- American Planning Association
- American Public Works Association
- American Water Works Association
- ICLEI
- National Recreation and Parks Association
- National League of Cities
- NATOA
- U.S. Conference of Mayors

### **State**

- California Contract Cities Association
- California Municipal Utilities Association
- California Parks & Recreation Society
- League of California Cities

### **Regional**

- Central Basin Water Association
- Coalition for Practical Regulation
- Gateway Cities Council of Governments
- Los Angeles County Sheriff's Department
- Metropolitan Transportation Authority
- SCANATOA
- Southeast Water Coalition
- Southern California Association of Governments
- Southern California Joint Powers Insurance Authority
- Greater Los Angeles County Vector Control District

## **Federal**

### **Support**

1. Preservation and enhancement of funding sources for cities
2. Preservation and enhancement of local control
3. Funding for the items below:
  - Community Development Block Grant (CDBG) program
  - Community Oriented Policing Services (COPS) program

## **COUNCIL AGENDA**

**April 9, 2013**

**Page 3 of 6**

- Justice Assistance Grant (JAG) program
  - Public, Educational, and Government (PEG) community access television
  - Safe drinking water research by the United States Environmental Protection Agency (USEPA) and Water Research Foundation
  - Programs to reduce pollution from ships, trucks, and trains doing business at the ports of Long Beach and Los Angeles to improve the air quality of the Los Angeles Basin
4. Water infrastructure funding to address water infrastructure challenges
  5. Continued operation of the Boeing C-17
  6. Job creation legislation and programs
  7. Provisions in federal law that support our local policies for the provision and protection of water to the community
  8. Preservation of proper authority to exercise eminent domain when it is necessary to carry out projects that benefit the public good
  9. Promulgation of environmental and water standards based on “good science,” not political considerations
  10. Efforts to control consumer rates on telecommunication services such as video, telephone, and internet access
  11. Local control of siting of wireless and telecommunications equipment on public property
  12. Monitor the implementation of the Affordable Care Act

### **Oppose**

1. Water quality mandates not based on “good science” and storm water mandates for which funding is not provided
2. Sequestration (domestic and defense budget cuts) that would drastically reduce federal aid to state and local governments
3. Unreasonable efforts to restrict pensions that do not respect local control and local bargaining processes

## **COUNCIL AGENDA**

**April 9, 2013**

**Page 4 of 6**

4. Federal intrusions upon local government's authority over local land use decisions
5. Impractical, unreasonable mandates for congestion management and restrictions on driving and parking private vehicles
6. Federal Emergency Management Agency (FEMA) flood insurance reforms to require properties in residual risk areas, those protected by dams or levees, to purchase flood insurance even when the man-made structures are certified to provide at least 100-year protection
7. Efforts to permanently ban Internet taxation
8. Efforts to impose moratoria on state and local taxes on mobile services and providers of mobile services
9. Efforts to eliminate net neutrality on the Internet

### **State**

#### **Support**

1. The provision of municipal services through contracting
2. Preservation and enhancement of local control
3. Protecting and enhancing sources of local government revenue
4. Legislation and funding that promote enhanced law enforcement services in the community
5. Legislation to protect the community from sex offenders
6. Reasonable fiscal reforms to state government
7. Reasonable reform of local government pension systems that is respectful of local control and local collective bargaining processes
8. Legislation that enhances community control of public education

## **COUNCIL AGENDA**

**April 9, 2013**

**Page 5 of 6**

9. Legislation that encourages economic development for cities to help replace redevelopment
10. Legislation that protects and preserves adequate quality and quantity of water resources to the community and reliable long-term funding for municipal water delivery, maintenance, and treatment
11. Groundwater storage in the Central and West water basins based upon consensus through a state-sponsored cooperative process that ensures the needs of the public are served
12. Construction of a Delta Bypass Facility and additional South-of-Delta State Water Project reservoir capacity and support proposals to facilitate voluntary water transfer marketing to meet the water supply needs of Southern California
13. Legislation to increase use of recycled water in a cost-effective manner
14. Legislation to reduce pollution from ships, trucks and trains doing business at the ports of Long Beach and Los Angeles to improve the air quality of the Los Angeles Basin
15. Development of reasonable policies, strategies and programs to protect the environment, reduce greenhouse gas emissions, increase energy efficiency and increase the use of alternative/renewable energy sources
16. Audit and reform of the Central Basin Municipal Water District (CBMWD)
17. Monitor the implementation of the Affordable Care Act

### **Oppose**

1. Proposals to regionalize and/or dissolve cities through amalgamation and consolidation
2. Proposals to take additional revenue from local governments or to shift responsibilities and costs to local government without providing funding
3. Proposals for fiscal reform that undermine democratic processes and/or local authority
4. Legislation to reduce local control over the city's planning and zoning practices and efforts to reduce local land use authority
5. Proposals for the state to take over management of the Central Basin groundwater supply
6. Water quality mandates not based on "good science" and stormwater mandates for which funding is not provided

## **COUNCIL AGENDA**

**April 9, 2013**

**Page 6 of 6**

7. Unreasonable and unattainable greenhouse gas emission reduction targets
8. Impractical, unreasonable mandates for congestion management and restrictions on driving and parking private vehicles
9. Further state prison realignment proposals that negatively affect crime rates in the city

### **Regional**

1. Support preservation and enhancement of local control
2. Support legislation, programs and funding that promote enhanced law enforcement services in the community
3. Work with SCAG and Gateway COG on implementation of regional SCS and RHNA obligations
4. Participate in regional economic development activities
5. Advocate cooperative county-city major street projects
6. Prevent the imposition of onerous storm water and sewer treatment discharge permit requirements by the Los Angeles Regional Water Quality Board on Lakewood and the Sanitation Districts of Los Angeles County
7. Monitor the Los Angeles County Water Quality Improvement Funding Initiative (Clean Water, Clean Beaches measure) to provide funding for cities for the removal of pollutants from local rivers, lakes, channels, beaches, and coastal waters

### **INTERGOVERNMENTAL RELATIONS COMMITTEE RECOMMENDATION**

That the City Council adopt the Statement of Intergovernmental Relations Goals for 2013.

Lisa G. Novotny  
Assistant City Manager

Howard L. Chambers  
City Manager
